Strengths

1. Experienced and knowledgeable teaching staff
2. Qualified and dedicated faculty
3. Offering guidance and support beyond the classroom
4. Well equipped laboratories
5. Innovative teaching method
6. Harmonious relationship between staff and students

Weaknesses:

1. No PG Facility
2. Inadequate infrastructure
3. Limited funding and resources
4. Lack of trained staff (lab technician & lab attendant)

Opportunities:

1. Growing demand for graduates

2. Good opportunities for competitive exams.

3. They can start small scale industries such as poultries, sericulture.

Challenges:

1. Motivate the student for research activity
2. Creating awareness about environment and wild life
3. 3. To train the academically weaker students to perform well in academics and help them to pursue higher education.
