- SPECILIZATION :- Indian economics
- NO. OF PUBLICATION:-03.

7. LAB TECHNICIAN Nil

8. LAB BEARER Nil

9. STUDENT STRENGTH

UG	PG	RESEARCH
92	07	NIL

10. SWOC Analysis

Strengths:

The department has strong academic potential due to the wide applicability of the subject in areas like policy, banking, and research, along with guidance from experienced faculty.

Weaknesses:

There is often a lack of practical exposure, data analysis tools (such as econometrics software), and field-based learning.

Opportunities:

There are numerous career opportunities in government schemes, research projects, competitive exams, and the corporate sector.

Challenges:

Rapidly changing economic conditions, the growing demand for skill-based learning, and increasing competition from other professional courses pose challenges to the department.
