

Analysis of Students' and Teachers' Feedbacks

Pertaining to various parameters with regards to teaching and college *viz.*, subject knowledge of teacher, corresponding methodologies of teaching, ICT-involvement in teaching process, etc., the feedback forms (printed as well as the digital format) are circulated amongst the students. Additionally, the feedback regarding entities like RO drinking water facilities, Wi-Fi availability, teacher's abilities and academic facilities were orally fetched by the students.

Feedback from regular students of UG & PG classes on their respective teachers and their teaching process is noted very seriously and teachers with low scores in students' feedback are counseled by the principal and effective teaching methods & procedures are conveyed to them.

Teachers are provided with printed as well as digital feedback forms on various indicators pertaining to design & review of Course Syllabus like Course Objectives, Syllabus Organization, Syllabus Contents, Course Learning Outcomes, Syllabus References, Course Utility, Course' Optional Papers, Syllabus-Teaching Compatibility, Syllabus' Improvement Scope, New Teaching Techniques and the responses of the teachers are asked on the scale of Excellent, Good, Ordinary.

Based on the responses of the stakeholders, IQAC committee in consultation with the principal tries to incorporate changes for improvement and betterment so that the follow up actions on enactment of recommendations given by the stakeholders are taken care of.
